IMPORTANT INFORMATION

Our aim is to provide information and support on all aspects of funding long term care and to ensure that individuals are informed about their rights and choices.

We do not make a formal charge for our information and Helpline service, however, telephone, printing and postage costs are all significant items of expense and in order to be able to meet the ever increasing demand, we do ask those users of the service who are able, to support us with a donation for the information provided.

This will also enable us to forward you future copies of our newsletter and other bulletins which we produce, relevant to long term care for older people. You may also call our Helpline at any time for further information and assistance.

Any donation you can make will be gratefully received simply by completing and posting the form below or by contacting our Helpline on 0161 707 1107.
